Optional 5" Casters

Presentation Cart

- » The versatile Presentation Cart keeps your laptop, LCD projector, or other equipment at the right height for any meeting or training presentation.
- » Constructed of heavy duty 18-gauge black scratch-resistant powder-coated steel, the handy unit rolls on heavy-duty 3" casters (2 locking) for easy maneuverability. Larger 5" casters are available separately.
- » The Presentation Cart comes is available with either gray or teak shelves. All shelves are constructed from sturdy and moisture-resistant MDF.
- » Laptop shelf adjusts from 19" to 39 1/2" high in 1 1/4" increments.
- » Top shelf measures 18"W x 14"D. Middle shelf measures 16"W x 9 1/2"D. Bottom shelf measures 18"W x 18"D. Grommets keep cords managed between shelves.
- » Available optional shelf is 18"W x 14"D and serves to hold additional equipment or presentation materials.
- » Also available is an optional locking cabinet to keep your expensive equipment secure. Cabinet measures 21 1/2"H x 20 1/2"W x 18 1/2"D with three removable shelves.
- » Optional electrical assembly with either four or seven UL/CSA approved outlets, 25' cord and cord winder adds even more functionality.
