

Split Level Workstations

Split Level 72

Split Level 36

Split Level Workstations

- » The design of the Split Level table features two independently adjusting platforms that allow an unobstructed view of the teacher or presenter.
- » The platforms adjust from 25 1/2" to 31 1/2" high to allow the correct ergonomic height.
- » The keyboard platform measures a spacious 19" deep and the monitor platform measures 17" deep.
- » The Split Level 36 for a single user includes a CPU holder and grommet for controlling cables, and the Split Level 72 for dual users includes two CPU holders and two grommets.
- » Tables feature a black steel frame with gray tops.
- » Optional cable management trays are available.
