# Study Carrel

- » The Study Carrel provides privacy for study or testing areas, and is constructed of high-pressure laminate with finishes that blend into any room's furnishings.
- » The white interior provides a bright work area for students and allows for projector testing.
- » The top shelf measures 8" deep and holds books or other materials.
- » A grommet in the back panel keeps cords neat and organized.
- » The unit is height adjustable from 38 1/4" to 46 1/4" high. The work surface adjusts from 22" to 30" high.
- » Choose from oak, gray, or walnut laminate with a sturdy black powder-coated steel frame.
