

Floor Carrel & Add-A-Carrel

Deluxe Floor Carrel joined to an Add-A-Carrel

3/4" high pressure laminate panels on the deluxe Floor Carrel and Add-A-Carrel.

Single Floor Carrel

Floor Carrel & Add-A-Carrel

- » Purchase a Floor Carrel and then as many Add-A-Carrels as you need to create the desired row of carrels. Black metal connectors join the Add-A-Carrels in any size configuration.
- » The teak panels in our standard Floor Carrel and Add-A-Carrel are constructed from 5/8" laminated particle board. The panels in our deluxe Floor Carrel and Add-A-Carrel are constructed from 3/4" thick high-pressure laminate for heavy-duty use.
- » The keyboard surface measures 25 1/2"H x 31 1/2"W x 11 3/4"D and is large enough for both a keyboard and mouse for either right or left side use.
- » The work surface measures 29"H x 31 1/2"W x 23 3/4"D and is large enough for a CRT or fat panel monitor or a laptop computer.
- » Leveling glides included. Frame is black metal.
