

## Flipper Tables

Configure in multiple ways:

Tables fold up  
and nest for easy  
storage!

# Flipper Tables

- » Use Flipper Training Tables to create a multi-purpose work area in a conference room or training room.
- » Use lever to flip up the tabletop for storage in an upright position. Units nest to save space and roll easily out of the way.
- » Arrange tables in multiple configurations to suit your needs at that moment. Tables connect with included metal plates.
- » Tables include modesty panel/integral cable trough and grommets and feature a black powder-coated steel frame with a 1 1/4" thick teak or mahogany colored vacuum-formed PVC top.
- » Tables include 2" casters (2 locking) for easy mobility.
